Frost Free | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

Electronic Temperature Control | Inner Electronic Settings can be adjusted for optimal control of temperature and humidity, allowing food longer lasting freshness.

Fast Cool | Fast Cool mode quickly seals the freshness of stored items.

Tempered Glass Shelves | Elegant in appearance, safe to use and easy to clean. With plenty of bracket options, the shelves can be adjusted to allow maximum use of the internal space.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.
