Inverter System | The CHI Q super-efficient inverter system is quieter than traditional compressors, and also keeps your food fresher for longer, which saves on energy consumption.

Frost Free | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

LED Display with Control | The LED digital temperature display and electronic controls ensures the optimum control of the fridge and allows for seamless setting adjustments for different modes.

LECO System | Abnormal odours and microorganisms are dissolved by the CHI Q LECO System which also discharges natural CO₂ & H₂O material to actively eliminate bacteria.

Fast Freeze | Fast Freeze mode quickly seals the freshness of stored items.

Door Alarm | The door will ring after being opened for a period of time to remind you to close the door.

Non-Plumbed 5.5L Water Dispenser | Simply fill the internal 5.5 Litre water tank and enjoy ice-cold water through the Water Dispenser without the high cost of plumbing.

Interior LED Light | LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.

Holiday Mode | Switch the fridge section to low energy use Holiday Mode when you're away to save on energy costs.
