TWIST ICE TRAY

METAL HANDLE

Frost Free | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

Multi Air Flow | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

Electronic Temperature Control | Inner Electronic Settings can be adjusted for optimal control of temperature and humidity, allowing food longer lasting freshness.

Low Noise | The freezer operates at a reduced noise level, without causing any disturbance to a quiet home space.

Fast Freeze | Fast Freeze mode quickly seals the freshness of stored items.

Reversible Door | This item comes as Right Hand Door opening. The design allows you to change to Left Hand opening if that best suits your needs. The installation kit to change the door is included.

Twist Ice tray | Easily freeze water and dispense ice cubes.

Metal Handle | Open the door easily, the metal handle makes for easy operation.
